Loving message to our Mom, Jennie Peterson Lamb...

As sweet as the roses she planted in her yard;

thinking of others, she always sent a birthday card. Touching stories that she told revealed a heart of pure gold. Her family and friends she held true, Giving strength, for she was the giver and the bond that held them all together even when it was stormy weather. Now we feel lost and missing her embrace, But we must remember her love as she is reaching her final resting place.
